

NURUL FIKRI LEARNER PROFILE

SIT Nurul Fikri directs the education process towards the realization of Imamul Muttaqin called **Nurul Fikri Learner Profile**, and better known as **SMART**.

SMART is a praxis conception of attitude and behavior developed by SIT Nurul Fikri which consists of five dimensions of character namely **Salih, Muslih, Cerdas (Smart), Mandiri (Independent) and Terampil (Skillful)**.

Sholeh

Students have self obedience towards Allah SWT that appears in observance of worship, creed ahlusunnah, and behave honestly.

Muslih

Students have the spirit of leaders, pioneers who are responsible, care and love the country, able to work together, behave respectfully, and always friendly.

cerdAs

Smart

Students have a sense of curiosity and high achievement motivation, creativity, open mind, the ability to think scientifically and solve problems.

mandiRi

Independent

Students are able to be independent entrepreneurs who act proactively, and have physical fitness.

Terampil

Skillful

Students have the ability to communicate effectively and skilled at using their body, hands or mind.

CURRICULUM

In addition to being guided by the National curriculum, SIT Nurul Fikri develops a constructive based curriculum, Islamic value (SMART) curriculum, learning experience-based curriculum, and higher order thinking skills (HOTS) curriculum in order to prepare students to be able to deal with future global challenges. Those curricula are strengthened by a curriculum that reflects the specificity of Nurul Fikri, such as Tahfidzul Qur'an, Arabic, Islamic Personal Development, and Islamic history.
